YOE HIGH SENIORS — Here is a shot of the entire 1958 Yoe High School senior class, 98 strong. The class is 50 percent larger than the 1957 class which had 60 graduates. The '58 class will graduate 8 p.m. Friday at commencement exercises at Yoe Field. A large crowd attended baccalaureate ceremonies Sunday night held for the class at Yoe Field. See The Herald's second section for complete coverage of the 1958 graduating classes of Cameron, Buckholts, Milano, Sharp and Thorndale.

Commencement Set For Graduating Class

Tomorrow night is the night for 98 seniors at Yoe High School. And graduation news will lead the news in communities throughout the county. Graduation exercises were held earlier this week at Buckholts.

Yoe High School commencement exercises begin at 8 p.m. Friday

Church Awaits BSA Charter For New Scout Troop

Boy Scout Troop No. 191 is the newest addition to Cameron's Scouting program, according to an announcement by Burt Kennedy, district scout executive.

This troop, sponsored by the All Saints Episcopal Church, was organized several weeks ago, and made application for its charter last week.

Fifteen boys were registered with the charter application. The church's committee consists of S. D. Ripley, chairman, Dr. Clifford Swift, the Rev. Richard Bradshaw, Milton F. Brown and Eber Flynn. The new Scoutmaster will be Richard W. Moseley, with Dr. George Bowman, Jack W. Prescott and Richard Williams as assistants.

Charter members of the troop are: Cliff Evans, Lawrence Lafere, Mike Perrin, Richard Ponder, Jerry Prescott, Rikki Roberts, Larry Wright, Phil Eanes, Rodney Thorpe, Geo. Bowman, Richard Bradshaw, Merlin Lester, Judson Smith and Mark Perrin.

Weekly meetings of the troop are held at the Episcopal Church on Thursdays at 7:00 p.m. Any other boys interested in becoming scouts may contact any member of the troop committee or the scoutmaster.

Weather Notes

Scattered thundershowers are predicted for Cameron and vicinity near the weekend as temperatures continue to range in the mid-90's. Rainfall totaled .27 inch last week and several other showers blew over the area.

Column 99

By
Frank
M.
Luecke

The popular pastime these days is to exchange gloomy outlooks with the guy next door or even a total stranger. We no longer talk about the weather. We talk economics.

But like everything else, it's a fad. Last fall it was Spunkies. Tomorrow it might be blowing up the courthouse square.

Many people naturally look down because it's easier than looking up. I naturally look above the horizon. While everybody talks recession, I'm watching the cost of living.

99 — 99 — 99

All goulash aside, I am happy to see most of us in Cameron joking about recession. A couple of signs in two local businesses more or less epitomize my point:

"One day as I sat musing
Sad and lonely
Without a friend,
A voice came to me
From out of the gloom....
.....saying, 'Cheer up!'
Things could be worse.
So I cheered up
And, sure enough
Things got worse."

99 — 99 — 99

Numbers apparently are not as fascinating as I would believe. But at least they draw criticism.

Last week I ended this column with a "100—" symbol instead of the customary 30-dash found at the end of all other Herald stories. People who read the column said nothing. They probably thought the thing a hoax or a typographical error.

One fellow, though, suggested that I end the column with "33—". He could have meant it was better than "100—" or that the column was worth about one-third of the numerical value of the title.

It never occurred to us to use a "33-dash" ending. Like the title number, the final "100" is supposed to create gap fillers when conversation lags at the dinner table.

99 — 99 — 99

The overwhelming absence of phone calls, wires and letters bearing anecdotes gave us another number to play with — zero (0).

We appealed for human interest and got silence. Ever had the silent treatment? It's like the time your wife served cold beans in silence when you came home a bit late from work. Or when fishy got in the way of a family picnic. That is what I mean. All I needed this week was the cold beans.

99 — 99 — 99

The reflection is on old Column 99 though. Everyone is waiting for someone else to go first. Meanwhile, I have to make up the anecdotes.

And speaking of reflections, I noted an incident last week that made a deep impression on me and the intersection of Main & Houston in Cameron.

Cotton Forum To Analyze World Market, Competition

O. G. Tumlinson, president of Milam County Farm Bureau, has announced that the cotton meeting originally scheduled in the Yoe High Agriculture Building will be held at the Yoe High School

Auditorium, tonight at 8. Tumlinson stated that interest in the meeting has been so high that additional space was needed. The program will be presented by staff members of the National

Bid Call Due Soon For Guard Armory

Reliable sources in Austin this week said that bids will be opened June 5 for the construction of a National Guard Armory in Cameron.

Bids were called for May 13, the source said, for the near-\$100,000 structure that was scheduled for construction last fall.

Bids were called for August 1, 1957, but never let.

The building will be 108 feet wide by 116 feet long and will be constructed of concrete and tile. The front will be faced with brick.

Specifications call for a drill hall 93 by 59 feet and storage, supply,

locker rooms and classrooms for the Guardsmen.

Cameron's Battery C, 649th AAA Battalion, will move to the new quarters when completed. Commanding officer is Capt. J. T. Terry.

The new armory would be constructed on the 20-acre site owned by the National Guard. The site was purchased and donated to the Guard several years ago following a drive by Chamber of Commerce and civic leaders to furnish space for the unit.

The present building will serve the unit as a vehicle storage structure.

Eight Teams Named

140 Boys Play In League

Little League and Babe Ruth League baseball will get underway Monday with about 140 boys playing on eight teams.

Ninety-two boys in the five team Little League have tried out for the league teams — Indians, White Sox, Yankees, Bears and Braves. In the three-team Babe Ruth League, about 45 boys will be playing during the two-month summer schedule. Babe Ruth teams are the Colts, Cats, and the Owls.

Double header ballgames will be played each Monday, Tuesday, Thursday and Friday nights until the end of July. Playoffs will decide the championship at the end of regular competition.

The baseball program is part of the summer recreation plan that includes swimming, tennis, softball, golf and many other sports for girls and boys of school age, according to Jim Speer, program co-director.

An additional Little League team, the Bears, was added to offer baseball play for additional boys out for the league this year.

Next week's Little League schedule is: Monday, Indians vs. White Sox; Tuesday, Braves vs. Yankees; Thursday, Braves vs. Bears; and Friday, Yankees vs. White Sox.

The Babe Ruth League schedule for next week is: Tuesday, Colts vs. Cats; and Friday Cats vs. Owls. Games will begin at 6 p.m. and 7:30 p.m. each night of play.

Roster of the Little League teams is:

INDIANS—Coach Ed Huntsman, Asst. Coach, Melvin Dornier; Merlin Lester, James Fikes, Joe Bob Bailey, Jim Reichert, Dick Ponder, Glenn McCarty, Wayne McClaren, Cliff Evans, Rock Roberts, Monty Meeks, Bill Lucas, Robert Schiller, Ed Huntsman, Frankie Dornier, Delmar Glaser, Wilder Graham, David Gleason and Melvin Meeks.

WHITE SOX—Eugene Mees, Coach, F. W. Vogelsang, Asst. Coach; Dennis Jones, Ernest Vogelsang, Eugene Mees, Billy Gann, David Mees, Phillip Bowley, John Duffy, Tom Lane, Clark Bennett, Carrol Plachy, John Phipps, John Fisher, Robert Woodum, Mark Evard, Douglas McFarland, Richard Moseley, Newton Burnet, and James Vogelsang.

YANKEES—Bob Nelson, Coach, Niley Smith, Asst. Coach; Bob Nelson, Jon Zeisako, Craig Wallace, Thomas Fisher, Bill Clark, Jerry Prescott, Jesse Molina, Gerry Bowler, Richard Bradshaw, John Kohl, Judson Smith, Gerry Litzman, Eugene Wallace, Mike Rice, Ronald Bryan, George Jones, Jeff Nelson, Steve Smith and Jay Fisher.

BEARS—John Florida, Coach, Lawrence Laffere, Asst. Coach; Bob Jones, Larry Wright, Larry Plentl, Rodney McWilliams, Leonard Moffet, Lawrence Laffere, Don Swamy, John Gregory, Mike Perrin, Douglas Bryan, Eugene Brewer, Mack McKinney, Richard Vasquez, Troy Koenig, Paul Edmonds, Calvin Witt, John Vogel-sang, Allen Brewer, and Daniel Marek.

City To Study Master Sewerline Program

Little League Puts Membership Tickets On Sale This Week

Members of the Little League and Babe Ruth baseball teams are selling membership tickets for the Junior Baseball Association this week according to Wayne Mann, president of the association.

Officials are urging Cameronites to buy the \$1 membership card from the boys when they call. It will be the only opportunity for residents to support the baseball association.

Mann stated that the card is also a free pass for each of the 80 games scheduled this summer.

Council Hears Dog Ordinance, Proposes Paving Two Streets

An 18-point council agenda Tuesday night produced a call for a master sewer trunkline plan, first reading of Cameron's first dog ordinance and paving plans for two city streets.

Cameron's city council heard from a committee representing property owners along East 10th and 11th Sts. asking for paving

and curbing agreed to by the city early this year.

Two panels were completed with the appointment of eight Cameron business men to the city planning board and a new industrial commission.

Named to the planning board were: Milton Schiller, Bert Nicholson and Ruben Johnson.

Appointed to the city industrial commission were: Lincoln Mondrik, Alvin Heft, O. B. Horstmann, John Hays and William Arthur, all of Cameron.

Special Meeting

A special meeting of the council was called for 1 p.m. Wednesday at the Milam County courtroom to meet with the State highway engineers. The group was to discuss new roads with the engineers and County Judge Charles C. Smith, Jr.

Scheduled to meet with the council were the area managers of Texas Power & Light, Lone Star Gas Co. and Southwest Bell Telephone Co., City Water Supt. Alvin Heft and Works Supt. W. D. Bigbee.

The group was to consider the Yarrington farm-to-market Road and construction of US 77 through Cameron that has been projected by the state for about five years.

The Council voted to draw up an agreement with property owners along 10th and 11th Streets to clear the way for the paving job requested. About 25 property owners along 10th and 11th and from Terrell Heights appeared at the meeting.

Seek Sewerline Service

Charles Brady, Jr., spokesman for the Terrell Heights delegation, asked when that area could expect sewerline service.

The question touched off a discussion that brought a request for a masterplan of sewerlines in Cameron for a long-range program. Bigbee told the group that five trunk lines that would go to all parts of Cameron would cost about \$53,400 when completed.

The council agreed to go ahead with sewerline plans after a masterplan of sewerline needs and plans was studied.

In other action, the council heard a first reading of a dog ordinance that will require rabies shots, yearly \$1 license tags for all dogs in Cameron.

Stop Strays

Police Chief Maynard Byers said the ordinance would empower him to pick up about 100 stray dogs running loose in Cameron. There is no ordinance on the city books.

The council agreed that City Atty. Jack Prescott should file an answer to a \$84,184 damage suit against Byers and Patrolman John Wilkinson. The city was not named in the suit filed by Eual C. Shuffield, Cameron, officials noted.

The council also voted against summer rates for water in Cameron. The city had summer water rates in past years prior to 1957 when officials found it necessary to maintain regular rates for bond requirements.

Councilmen also voted to ask Fire Marshal John Eanes to contact property owners whose lots are overgrown. Last year Eanes cleared through property owners 90 percent of overgrown vacant lots.

Chief Byers Warns Pool Trespassers

Police Chief Maynard Byers today issued a warning that anyone entering the city swimming pool after closing hours would be fined for trespassing. Byers said that a group of boys were chased out of the municipal pool at Ledbetter Park Tuesday night.

Searchers Find Drowning Victim In Little River

The body of E. A. Reese, Gause drowning victim claimed by Little River, was located Saturday after a five-day search in the surging waters.

Search crews from Cameron, Bryan and Fort Hood dragged the waters for five straight days and nights before Reese was found.

Billy Steele, Hearne, who was with Reese when their boat cap-sized May 13 on Little River, spotted the body floating about 100 yards from the point Reese had last been seen.

Steele swam to safety after the boat overturned. But Reese failed to make it to shore.

The river was reported at an eight-foot rise when the drowning occurred.

Reese, 29, is survived by his wife and three sons, according to The Rockdale Reporter.

The drowning happened near Maulkin Bridge on Little River north of Gause about 6:30 p.m. May 13.

County Sheriff Carl Black and volunteers worked with the rescue crews.

Curtis Ray Fuchs Wins 1st Place In Driver Test

Curtis Ray Fuchs, Buckholts high school student, won the second annual Jaycee Teen-age Road-e-o Saturday in Cameron.

Second place went to William Pagach and third place went to Jeanette Richter.

The three winners will go to Groesbeck Friday night for the regional Road-e-o, winner of the state Road-e-o at New Braunfels.

Project Chairman Milton Brown termed the Saturday contest a success as drivers scored higher averages in the four-part contest than in the previous year.

Contestants first took written tests, then toured the driving course set up by Cameron Jaycees on East 10th St. in front of Yoe High School.

New model cars were provided by Cameron auto dealers.

Fuchs won a plaque for first place while Pagach and Miss Richter won keys. All three received certificates of award and all entries received certificates of competition.

The state Road-e-o winner will go on to Washington, D. C. and a chance at \$4,500 in college scholarships.

Law enforcement officials from the Cameron police department and state highway patrol assisted Jaycees in judging the event.

Milano Wildcat Hits Saltwater At 6,100

The Coastal Trend Oil and Gas Company and Skinner Corporation No. 1 G. P. Norman, Milam County's latest deep wildcat drilling two miles southeast of Milano, was abandoned late last week.

The test, permitted to 6,100 feet, reportedly hit salt water when it reached the Edwards Lime. It is the third deep failure in that area in the past five years.

A Graduate Salute . . .

Heartiest congratulations to the graduates of 1958. Through the generous co-operation of Cameron business concerns, we bring you Cameron's salute to the 98 graduates of Yoe High School and classes of other county schools. You will find a picture of each YHS graduate in this edition.

We cannot pay tribute enough to the youth of Cameron and Milam County. They are, without doubt, the future of our city and county.

We honor the graduation of YHS seniors from a constantly improving high school plant. Graduation classes to come will be the better for Cameron's continuing drive for better schools throughout the system.

Parents, teachers and students alike share the pride of graduation. It is often said that graduation from high school is one of the hallmarks in any person's life.

The pride and enthusiasm for graduates' achievements continue through the years for each new class. And that prideful feeling remains with those long since graduated.

For the 1958 graduates there are many honors ahead. Some will enter college next fall, others the service and still others will go to their careers.

The Herald hopes that they will maintain their spirit of pride in Milam County by helping Milam County grow and prosper just as many prior YHS and county graduates are doing now. We hope they find their careers at home, where they may continue to achieve.

For the faculty, friends and parents, those achievements have brought profound belief in their youth. It is only right that we herald their accomplishments.

THE LITTLE RIVER PHILOSOPHER

Economic Situation Is Confused
But Sage Says It's Always Been

Dear editor:

According to an article I read last night in the Wall Street Journal — and how a copy of that paper got out here on my Johnson grass farm is no harder to explain than how some men got to be Congressmen, how some teachers ever got into teaching, how some men got married, how some women say married, how some editors....this has gone far enough....at any rate, according to this article, the present economic situation is confused.

I have been thinking this over and I've decided it's right. The present economic situation is confused.

You take the car manufacturers. I understand they have about 800,000 new cars on hand and they're not moving fast enough, so a campaign to buy now was launched. Even President Eisenhower urged people to buy now. And what happens? The United States sends its foreign money wind up in the hands of a spendthrift son of the Dominican Republic's dictator, who comes to this country and buys a foreign-made car for an imported actress. This is called getting nowhere fast.

But speaking of the surplus of cars and other products now bothering manufacturers, you mean to say the business tycoons haven't got more judgement than us dumb farmers? You mean to say they pile up surpluses the same as you and me? Everybody knows a farmer hasn't got any more sense than to keep on producing regardless of how big the surplus is but I always figured big business was different.

This is the reason you can say the economic situation is confused. Everybody has come to expect the farmer to keep plowing and planting, filling up warehouses and depressing the market and writing letters to Congress, but I always figured big business was smarter.

However, this is a democratic country, and what's fair for one ought to be fair for another, and I'm proposing that Congress set up a Ca rRelief program with a Car Bank, etc., for the automobile industry. You let the industry keep on turning out cars and filling up warehouses and it won't be long till the price drops to nothing and car manufacturers and car dealers will be forced to give up and find a job in the country. This would be bad for the land.

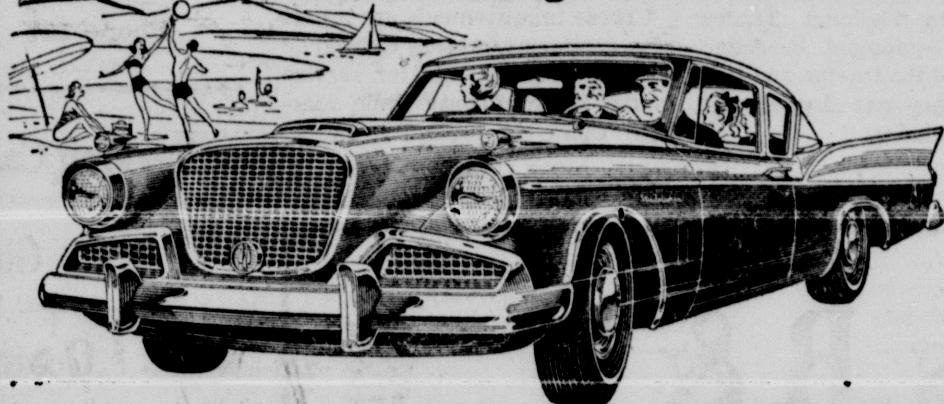

The family-size car manufacturer and the family-size car dealer are necessary to the economy of

this country, and if Congress is on its toes it'll work out this Car Bank idea immediately and keep things on an even keel.

I would like to say though that I'm not worried just because the economic situation is confused. It's always been that way with me.

Yours faithfully,
J. A.

Capitol Report

State Road Building Progressing Along

By Vern Sanford

AUSTIN—At least one segment of Texas economy — highway construction — is booming. One reason: the Texas Highway Department isn't letting grass grow under its feet in getting federal emergency projects under way.

Low bids tabulated at the Department's May letting totaled \$19,187,933. State Highway Engineer DeWitt C. Greer, in opening the May letting, said that about \$25,000,000 in road projects would be up for bids next month.

This figure, if reached, would set a new record.

A big chunk of this upsurge comes from Texas' \$36,000,000 share of the Federal Emergency Fund, authorized by Congress this year to get extra money into the economy fast and provide needed roads. All of this work must be put under contract by December.

Texas Highway officials hope to beat the deadline by several months. Greer announced that \$8,000,000 of the May lettings represented the first of the extra federal projects. He noted with quiet pride "the speed with which the projects were made ready." Bids were taken just four weeks after the federal bill was signed. Department officials expect all the \$36,000,000 to be under contract by the end of the summer — bringing record or near-record lettings for the next few months.

A short time back monthly highway lettings of \$9,000,000 to \$12,000,000 were about average. Time was, too, when the emphasis was mainly on the need for fine, new roads to accommodate the growing stream of fine, new cars. Today, there's also emphasis on the number of people who'll be put to work, the money they'll spend on groceries, cars, clothes.

High Tension
With millions involved, the highway lettings are scenes of high tension. Sunburned, sport shirted contractors, plus materials men and insurers flock to the Department's hearing room where the sealed bids are opened and read, item by item.

Department personnel have an electronic computer to add up the item bids and determine the low bidder. Results are announced later in the day. But contractors or their representatives take down the bids on the spot and make rapid calculations.

It isn't hard to spot the man who's just realized he missed a million-dollar job by bidding a few hundred dollars high. Typical muttered comment: "He can't do it for the money!"

Bumpy Road
Though the mammoth highway building program is moving forward, top speed, there are problems along the road.

Chief bone of contention, now in the courts, is whether cost of relocating utilities to make way for new construction should be borne by the cities and utility companies or the state.

A law passed by the last Legislature authorizes the state, with 90 per cent federal aid, to pay for utility re-location on the federal projects.

Atty. Gen. Will Wilson has ruled that part of the law invalid in "donating public moneys to corporations and individuals...for private and individual purposes." Wilson filed a test case in an Austin district court.

City officials, through the Texas League of Municipalities, take the opposite view. They contend that in other states cities get this money for utility moving and that Texans, through federal taxes, contribute to the cost. Besides, they add, it'll cost the cities some \$2,000,000.

**Pearson Chevrolet Offers
Efficient Car Service, Sales**

"If you want fair, dependable service and dealing in new Chevrolets or OK used cars, come to Earle Pearson Chevrolet."

That's the invitation extended by Owner Earle Pearson, a veteran dealer in Chevrolet sales and service for 23 years.

"Our first aim is to give honest, dependable service that continues long after the sale of a car," Pearson emphasizes. "We want the confidence of our customers, lasting customers. The best way we know to keep that confidence is with straight-forward business dealing."

But Pearson puts the service of a well-staffed Chevrolet agency before the customer as an invitation to learn what Pearson means by customer-dealer confidence.

Long Experience

In the service department Larry Hackebell offers service direction backed by 23 years in Chevrolet. Parts Manager Gus Pientl knows his well-stocked department well after about six years experience.

And young, prize-winning Robert Baring knows his Chevrolets. The 1957 Yoe High School graduate won himself a 1958 Chevrolet for outstanding sales work in the Houston district.

Joe Lee Heitman works in the bookkeeping department while Lawrence Jetter, Chevrolet school-trained specialist in air-conditioning and body work, and John Kohl, experienced auto repairman, carry out their mechanics' duties.

Also on the Pearson staff are Robert Hertenberger and Mike Salazar, wash and lube technicians. Our staff combines youth and long Chevrolet experience in every department, Pearson points out. Both combine for the best service we know how to give.

Pearson has worked in Chevrolet sales, service and parts for 23 years. He also is experienced in auto financing through GMAC and offers installment financing of reasonable repair bills.

"We also feature auto insurance

on our new and used cars," Pearson continues.

Save At Home

"We believe that our customers and friends will find new car and truck deals at Earle Pearson's attractive enough to save shopping around for better ones," Pearson points out.

Pearson points out constant improvement of his facilities at 100 S. Travis. He is adding repair equipment to increase the range of repair services available for Chevrolet drivers.

Pearson sells all lines of Chevrolet cars. . . . Del Ray, Biscayne, Bel Air and Impala. . . . Nomad, Yoeman and Brookwood station wagons and all types of Chevrolet trucks.

And we have fine OK used cars, he points out.

"We feel that integrity is still the foundation of a successful, enduring business. That is Earle Pearson Chevrolet," he concludes.

**Milam Grain Co.
Increasing Area
For Unloading**

Constantly improved storage facilities await Milam County maize growers at 201 Cedar St., site of the old Batte Oil Mill opened last year by Milam Grain Co.

Officials of the year-old grain organization say that reconditioning is now underway to expand local storage facilities to 200 cars, about 80 cars beyond 1957 capacity.

Robert M. Clark, secretary-treasurer of the operation, says that reconditioning should be completed by June 1 before the harvest season starts.

Other Improvements

Other improvements underway at Milam Grain Co. include the enlargement of present unloading facilities to double capacity. Present facilities handled about 75,000 pounds per hour but with the increased size about 150,000 pounds capacity will be available.

Also planned is installation of new unloading facilities that will unload about 200,000 pounds of maize an hour from waiting trucks.

"We believe this will provide ample unloading capacity to keep farmers from having to wait a long time in line," Clark says.

"We have not completed arrangements for additional storage facilities elsewhere, but plan to have such facilities lined up by harvest time," Clark continues.

Clark says the year-old grain operation will have the best 1958 storage market in the area when all improvements are made.

Company Officers

Officers of Milam Grain Co. are Perry Holder, president; C. O. Angell, vice-president and manager; Clark, secretary-treasurer; and H. L. Yager, member of the board of directors along with the other officers.

Milam Grain Co. handled a total of 185 carloads of maize in 1957 in the first year of operation, Clark points out. The organization bought 60 cars of maize and put the grain on the open market and stored about 125 cars.

"These improvements are a part of a continuing process of keeping up with requirements for service in the Milam County grain market," Clark concludes.

Showers Honors Bride-Elect Of Donald Garrett

By Mrs. J. A. Blasienz

Florine Plazens, bride-elect of Donald Garrett, was honored with a bridal shower May 12 in Bryan. A June wedding is planned. Donald is the son of Mr. and Mrs. Henry Garrett who formerly lived in the Clarkson community.

A large number of local people attended the funeral of Sylvester

Otahal in Rosebud May 12.

Mr. and Mrs. Oran Casey and daughters of Cedar Springs were guests of her parents, Mr. and Mrs. Bill Harrison and family Saturday night.

Mr. and Mrs. Dick Henke and sons of Temple were guests of Mr. and Mrs. Herbert Engbrock and family Sunday.

Mrs. Joe Hawk and her aunt, Mrs. Cora Long of Rosebud and Mrs. Long's son, Claude Ward, visited Mr. and Mrs. T. W. Garrett and other relatives in Bryan Tuesday.

Mrs. Hawk's grandson, Vicky Hawk, returned home with them and spent the week.

PROCLAMATION

In Memory of those who served God and their country, we pause at this time, to honor those who have gone before us.

We ask thy blessing upon those who are ill and hospitalized at this time, may their recovery be speedy. Help the Auxiliary members in their Poppy Day Program, so that the hospitalized veterans may be assisted, all these things we ask in thy name, Amen.

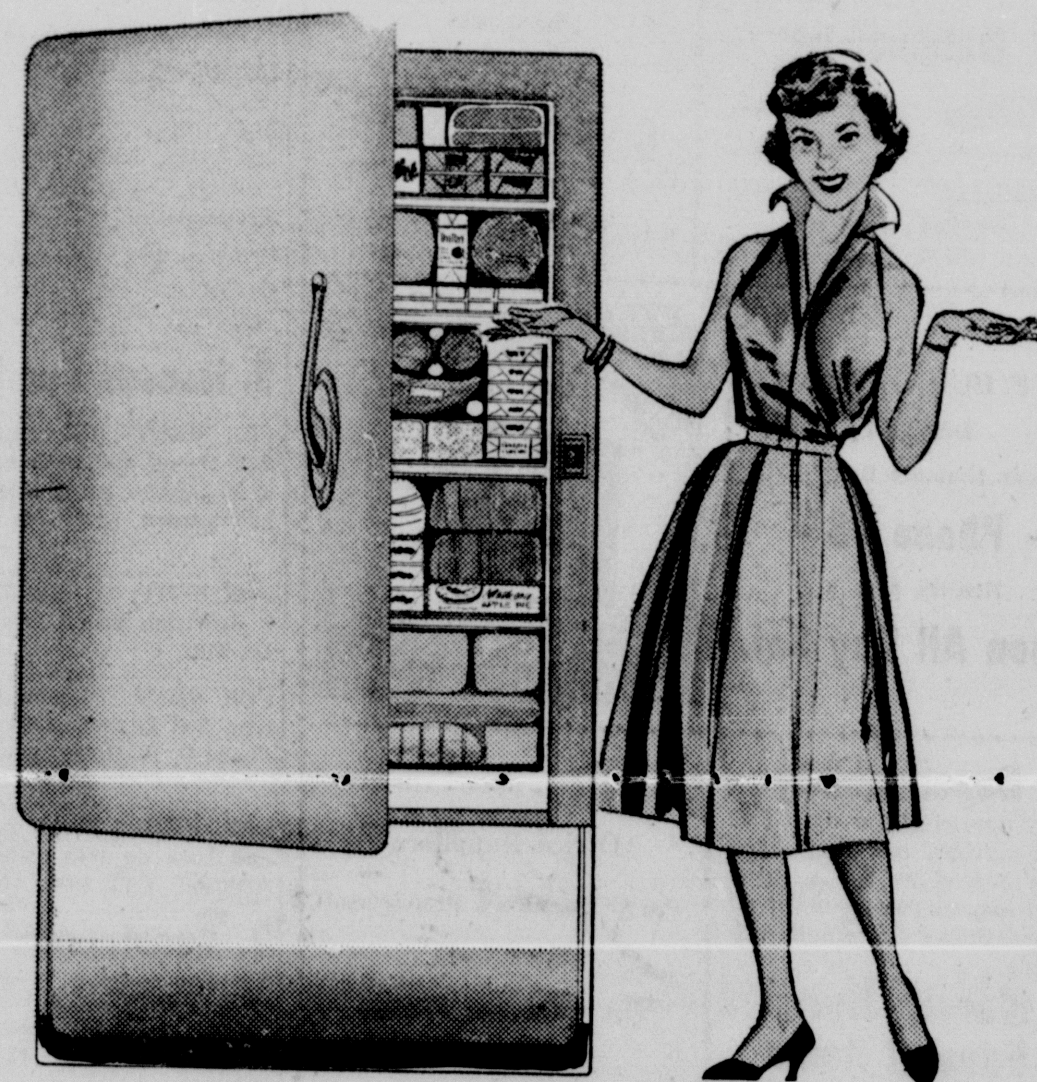

Therefore, I, Bassel Wilson, Mayor of the City of Cameron, Texas, hereby Proclaim Saturday, May 24, 1958, as Poppy Day.

Early Tomato Crop Forecast Is Light

By J. D. Moore
Early spring tomato production is forecast to be slightly below last years crop and 11 percent less than average. The smaller crops now in prospect in Florida and California have been offset by a larger crop indicated for Texas Lower Valley.

The Texas crop has developed satisfactorily. Harvest has started in the valley and will become active the latter half of May.

The Milam county tomato acreage usually runs around 1500 acres or less. Local tomatoes will not be available before the last of May and early June. Cool, variable temperatures have delayed the proper setting of tomatoes locally.

Poultry - Cleaning Eggs

Groups of 200 eggs with five replications were washed either by hand, in an agitated water-type washer or in a revolving-brush washer. One group was left unwashed to serve as a control group.

After washing, the eggs were checked by a USDA grader for shell cleanliness and cracked eggs. Comparisons were then made of the number of clean eggs, cracked eggs, washing times and the operating costs per dozen eggs for the 3 methods.

The revolving-brush type egg washer produced a higher proportion of clean eggs in less time and broke fewer eggs than did the other two methods. Although hand washing of eggs took a few seconds longer than the other methods the eggs were cleaner than those washed with the swirling-type washer, but the incidence of broken eggs was higher.

Eggs which had been cooled were not cleaned as well by the revolving-brush washer as were warm eggs.

Fertilizing Bermuda Grass

Studies conducted on the Blackland Experiment Station in 1955 showed that nitrogen must be used to obtain maximum yields from either Coastal or Common Bermudagrass.

Yields of Coastal Bermuda ranged from 10,215 pounds of air-dry forage with no fertilizer to 16,215 pounds with 90 pounds of nitrogen. Yields of Common Bermudagrass ranged from 6,285 pounds per acre with no fertilizer to 11,125 pounds with 90-90-0.

Yields of Common and Coastal were increased further by increa-

sing the nitrogen application from 90 to 135 pounds per acre. The protein content of Common and Coastal Bermuda forage was increased significantly at the May clipping, but not at the one in October, by adding 90 to 135 pounds of nitrogen per acre.

Looking Ahead

Buckholts Couple Conserving Land For Future Uses

"Water is a liability when out of control, a destroyer of life and property, but water contained and controlled can be of infinite value, truly an asset to every living thing that eats and drinks," say Mr. and Mrs. Seth M. Corley of Buckholts.

Corley is 73 years old and Mrs. Corley is 72, and just finished sodding a waterway of 1.3 acres by hand to Bermuda grass. The waterway was fertilized with 16-20-0, also by hand.

Mr. and Mrs. Corley said that if anyone wants to control water and stop the erosion on their land, it does not get too wet to sod Bermuda grass in a waterway.

If the waterway is sodded now, the grass should cover by fall and then terraces can be constructed in the fall or in the early spring.

Mr. and Mrs. Corley are now plowing 75 acres of brush and will sod it to coastal Bermuda with the Central Texas Soil Conservation District's sprig sodder in the spring of 1959.

The couple is thinking of coming generations, looking with considerable alarm into our future. Like Babylon, they fear the tour now abundantly producing farms will some day wither away because of neglect of one of our most precious assets - "our land."

Consignments Total

698 Cattle Thursday

At Cameron Auction

Consignments totaled 698 Thursday at the Cameron Livestock Auction with 187 sellers on hand, officials reported.

Officials noted a weaker market on all classes of cattle and calves of the plain variety.

Stocker steers, bulls, good quality slaughter calves and top quality cows and calves sold in good demand.

The downturn was a seasonal one, officials continued, and no decline in cattle prices is anticipated. Thursday prices were:

Spotty Rains Boost Milam Crop Picture, County Agent Reports

Spotty rains stopped field work last week, but the moisture was needed for growing crops, according to County Agent J. D. Moore in his weekly crop report.

Oats are ready for making hay, he said, but it will be about a week before the oat harvest gets underway. Yields should be good, he added.

Corn made strong growth during the past week as farmers continued to report damage to stands by grub worms. Grub control is difficult, Moore said.

No appreciable insect damage has been reported to a generally good stand of county cotton, Moore noted.

He issued a warning to livestock men that lush pasture will soon be gone with the arrival of hot summer weather. He said that emphasis on Sudan grass in temporary pastures linked with proper stocking of permanent pastures will help.

In truck crops, Moore said that canteloupes and tomatoes are making good growth.

Take the wheel... get the Swept-Wing feel!

You spend a lot of time in your car—driving to work, shopping, taking trips. How your car rates on the road is important to you. So all we ask before you invest in a new car is this: Come in and take a "road rate" drive in a Swept-Wing 58

Dodge. Really compare it thoroughly on every count. We honestly believe it rides better, handles easier, responds quicker than any other car you've ever driven. But we'll leave the verdict entirely up to you. You be the judge.

YOU BE THE JUDGE! THINGS TO NOTICE IN THE SWEEP-WING 58:

The feel behind the wheel—You feel different because you sit differently. Low and snug and secure, completely in control, almost a part of the car.

The view around you—The glass area is tremendous. The visibility is outstanding in every direction—front, sides, rear.

The ease of push-button driving—Once you try Dodge Push-Button TorqueFlite you'll never be happy with outmoded lever types. Ladies love it.

A ride that's a glide—There's no sway on curves, no dip at stops. Torsion-Aire is standard equipment, too.

This power steering is different—No power steering is like Dodge power steering. It works full time, yet leaves you the feel of the road.

Horsepower and stopping power—You get up to 320 hp. You get new-design Total-Contact Brakes.

Howard Tucker Announces For Commissioner

Howard Tucker

Howard Tucker, 47, of Route 3, Cameron, has announced for county commissioner, Precinct 2, subject to the Democratic primary July 26.

Born and raised in Milam County Tucker has farmed all his life. He now lives on Route 3 where he has farmed rented land for the past nine years.

Tucker served four years in the Army Air Corps during World War II, serving in Europe for a year and one-half. He has lived in Milam County all but six years of his life, Tucker says.

He is the son of Mr. and Mrs. W. L. Tucker, both natives of Milam County. He attended school at Salty and Tracy Community schools.

Tucker points out he has a great deal of interest in good county roads and has road building experience in working on the Buckholts highway.

"If I am elected," Tucker said, "I would work with all citizens of Precinct 2 and Milam County interested in better roads. I also would travel extensively to assure proper maintenance of present roads."

Tucker is married and has two sons, Timmy, 5, and Donnie, 3.

"I will try to contact all Precinct 2 voters before the election primary," Tucker concluded. "I would deeply appreciate the support of all voters who wish to see better roads in their county."

5 1/2 Acres Hubam Gets \$307 Return For Co - operator

Five and one half acres of hubam clover and oats gave Cooperator Rudolph Zuehlke of the Little River-San Gabriel Soil Conservation District a return of \$307.

Zuehlke grazed 7 head of livestock on 5 1/2 acres of clover and oats from January 1 to March 20. Actual grazing was for 70 days. Livestock were held off during wet weather. \$105 was on a saving of 210 bales of hay. The hay that would have been fed if he had not had the clover and oats. The other \$202 is for 404 bales of hay baled on May 15. Hay value at \$.50 per bale.

Rudolph says Hubam sweet-clover, good crop residue management and proper fertilization, made this return possible. He started getting ready for this crop in 1956, 15 pounds of hubam clover seeded per acre on November 10, 1956. Fertilized with 100 pounds of 0-20-0. Clover grew 7 feet tall destroyed by light discing in June,

1957 - planted 2 bushels of Nortox oats and 15 pounds of hubam clover per acre on October 1, 1957 - fertilized with 80 pounds 0-45-0 per acre - started grazing on January 1, 1958.

Zuehlke says that he has no way of measuring the benefit to permanent pasture from the rest received, but when the cattle are sold he will be able to count their gain in dollars. Twenty acres of his forty-eight acres of cropland has been seeded to clover and fertilized. It clipped 20,000 pounds green weight on May 5, 1958.

YOUNG IDEAS from Polly Ponds

Q: "I have large hands and feet and feel very self-conscious about them. Is there anything I can do to make them at least seem smaller?"

A: Large hands and feet are nothing to be ashamed of - and they can actually become assets if they're kept beautifully groomed.

Learn to give your hands as much care as you usually lavish on your face. Keep your nails filed to nicely tapered ovals, not too long - or too short, either. They should be about 1/8" above the tips of your fingers at their deepest point.

Gently press your cuticles out of sight with a towel whenever you're drying your hands after a washing. Then apply a hand lotion that will help soften and smooth the skin while, at the same time, prevent it from becoming chapped and dry.

If you wear nail polish, never allow it to stay on after it gets chipped or scratched. Either repair the damage immediately - or remove the polish entirely.

Your feet won't draw more attention than they deserve if you see that they're neatly shod in shoes that fit and look well. T-strap and very pointed toes will make your feet look longer than they actually are, but you can't go wrong with a neat pair of pumps, saddle shoes or loafers.

PLYMOUTH SAVES YOU MONEY ON GAS... MOBILGAS ECONOMY RUN VICTORY PROVES IT!

New "Fuel-Saver" Choke that helped clinch title is standard equipment on all Plymouth V-8s

Pound for pound, Plymouth uses less gasoline than either of the "other two" cars in the low-price "3"! This was proved beyond doubt when a 1958 Plymouth V-8 was officially declared winner of the low-price car competition in the 1958 Mobilgas Economy Run. Plymouth's competitors also entered cars with 6-cylinder engines (supposedly more economical) but Plymouth beat every car in its class - V-8s and 6s alike!

This title-winning Plymouth is exactly the same Belvedere V-8 with TorqueFlite Automatic Transmission that you can buy right off your Plymouth dealer's floor.

These tests prove that every Plymouth has built-in economy features not found in the "other two". For in-

stance - one of the most important factors in Plymouth's smashing win is the new "Fuel-Saver" Choke that you get at no extra cost on all Plymouth V-8s. This ingenious device employs a triple-stage vacuum piston and a new thermostatic element to reduce the amount of fuel you use in warming up the engine. So it can save you even more on short-distance drives - the kind most people make.

Among the many other savings Plymouth gives you is the \$140 you save on standard-equipment Torsion-Aire Ride. The "other two" charge up to that much extra for their best suspension systems.

So if you are dollar-conscious, better hustle over and talk terms and trade with your Plymouth dealer. He wants your business, and he'll go all out to get it!

Class Of 98 To Graduate Friday Night

YHS Announces Complete Roster Of 1958 Grads

Here is a complete roster of 1958 Yoe High School graduates who will receive their diplomas at Commencement tomorrow night.

The class includes 45 girls and 53 boys. The 1957 class had only 60 students, about 35 percent smaller than this year's graduating class.

Pictures of every Yoe graduate of 1958 appear in this issue of The Herald.

Senior Girls

Athey, Mary; Bowley, Norma Ruth; Boyls, Gloria; Bridges, Janice Marie; Burke, Peggy; Cabrera, Gloria; Camp, Kay; Canizales, Audelia; Curtis, Cynthia Sue; De La Rosa, Consuelo; Dohnalik, Alice; Dodd, Inez; Gooch, Nell; Graham, Ann; and Griswold, Gail; Dale.

Also Harwell, Mary; Hayes, Thelma; Hearne, Emma Ruth; Heitman, Carole Ann; Hertenberger, Patricia; Hightower, Peggy; Holland, Elwanda; Hollas, Barbara; Hrachovy, Vlasta; Hubnik, Catherine; Jackson, Myrna Gail; Kirk, Wanda; Kohl, Louise; Kolodejak, Albina; and Kostroun, Lillian.

And Kotrola, Barbara Ann; Krennek, Lydia Marie; Leonard, Carol; Matyastik, Nancy Ruth; Matyastik, Ruth; Mayer, Margie; Moore, Carol Frances; Mueck, Marie; McDermott, Elizabeth; Pimpler, Delois; Plasek, Doris; Richter, Mary Ellen; Wilkinson, Marjorie; Wohleb, Josephine; and Woytek, Marcella.

Senior Boys

Bailey, Adrian; Barrett, Littleton; Canizales, Clayton; Clore, Henry; Collins, Carter Evans; Dillon, Guy; Dohnalik, Steve; Elliott, Bobby; Ernst, Leon L.; Garcia, Ray; Gelner, William Joseph; Glaser, Leo, Jr.; Glase, Robert, Jr.; Green, Carroll; Green, Ray; Hillman, Gene; Hollas, Lee; and Hromcik, Joseph Louis.

Average Senior Boy, Girl Busy Year-Round In YHS Activities

The composite senior boy and girl in the class of 1958 were busy people during the past four years at Yoe High School.

Such a conclusion is inevitable after reviewing the activities of 63 of the 98 graduating seniors.

It seems that Miss and Mr. YHS of 1958 found an abundance of time for all manner of activities that ranged from football to FFA and Home Ec to honor graduate.

Both are apparently versatile people who have joined in the variety of activities made available to all YHS students.

Interested In Sports

Mr. Average Senior probably played at least one sport—football, basketball, track, tennis—and joined at least one scholastic club or other extra-curricular activity.

And somehow he found time to try out for the senior class play or play in the YHS band.

Besides all these things, he kept up his grades and is able to plan for college this fall in about 50 percent of cases.

And Hubnik, Stanley Albert; Jackson, Larry; Jedlicka, Johnny; Jekel, Dwayne; Johnson, Bartoe; June, Marvin; Jungmann, Carroll W.; Kirk, J. Wendell; Koenig, Floris; Koenig, Floyd; Koranek, Sidney; Lawhon, John; Lawrence, John Todd; Marak, Gene; Marek, Hubert; Mitchan, Daniel; Moody, Dwight; and Montez, Joe.

Also Moraw, Charles; Moseley, Johnny; McDermott, Make, Jr.; Pavelek, Eddie Joe; Reynolds, Bennie; Richter, Adrian Adolph; Rinn, Warren; Rummel, Leon; Smalley, Jimmy; Smith, Jimmy Ray; Swift, Clifford G. III; Tepera, Daniel; Terry, Leon; Trochta, Johnny; Thomas, Burnes; Vessels, Joe; and Walzel, Joe.

Miss Average Senior was equally swallowed up in the whirl of goings on. She belonged to the Future Homemakers Club or was active in some type of literary work. She took time out to win a post in Latin Club or the Library Club.

There was also that job on the Yoeman Chant or the school yearbook that took a lot of time. But not enough to keep her from listing the name of a college on the "Things to Come" list.

Yoe Boosters

Both rooted for the Yoemen at the games during the past four years. Their spectator interest in YHS sports probably capped earlier years' of enthusiastic support for Cameron squads. The versatile couple seemed to be everywhere at once while at YHS.

But most of all, they didn't forget their work. That's why they are among the 98 graduates who will receive their diplomas tomorrow night.

81 Eighth Graders Await Promotions

Eighty-one eighth graders will be candidates for promotion certificates 2:30 p.m. Friday at Yoe High School Gymnasium, according to Leon Brady, school principal at Ada Henderson School.

The exercises will include presentation of American Legion awards for the outstanding boy and girl in the class, Brady said.

Other awards will be made by the Daughters of the Confederacy and by the school for those pupils with perfect attendance for the year.

Brady said the class has elected Steve Malone and Betty Kestenbaum as freshman representatives of the class next year on the YHS student council.

The class has eight more students than the 1957 group. Candidates for promotion to the ninth grade are:

Adams, Karen; Amaya, Tony; Bailey, Brenda; Baskin, Sandra;

Brantley, Sharon; Brashear, Dan; Clark, Alice; Conzales, Lucinda; Corbin, Terry; Crouch, Alton; Dehart, Johnny; Dusek, Jackie; Edwards, James; Gay, Chris; Gerick, Connie; Gill, David; Glaser, Alfred; Glaser, Royce; Good, Johnnie; Harris, Kay; Harden, Rebecca Harpe; Charlotte; Hauk, Paul; Hawkes, Billy; Hays, Chester; Hightower, Patti; Hillman, Bobby; Horelica, Albert; Hubnik, Philip; Hudson, David; Jackson, Frances; Jimenez, Mary; Johnson, Rosie; Jones, Marianne; and Jungmann, Arvell.

Also Kestenbaum, Betty; King, Beverly; Kirk, Linda; Kirk, Stanley; Koranek, Theresa; Kosel, Billy; Laffere, Lanette; Leonard, Thomas; Lippman, Suzanne; Malone, Steve; Mann, Robert; Matthews, Curtis; Mayer, Martha; McDonald, Kay; Meeks, Clifford; Miller, Geraldine; Miller, Sandra; and Nance, Margaret.

Auxiliary To Sell Memorial Poppies

Poppies worn on Poppy Day in tribute to the war dead bring aid to disabled veterans of three wars, explained Mrs. Fay Kohutek, president of the local American Legion Auxiliary, who is helping complete preparations for observance of Poppy Day here Saturday.

The Auxiliary volunteers who will distribute the little red memorial flowers will carry contribution boxes, and all contributions received will go into Auxiliary rehabilitation and child welfare funds.

Mrs. Kohutek stated that these contributions constitute the largest source of financial support for the Auxiliary's year-around work for disabled veterans and needy children of veterans.

Do-Si-Do Saturday

The Ben Arnold Community Club will hold the last Do-Si-Do party for the season at the Ben Arnold school Saturday night.

Also Olivari, Willie; Owings, Ronald; Peed, Jim; Pemberton, Janice; Pouncey, Gloria; Puckett, Francis; Reynolds, Barbara; Rogers, Enolia; Rogers, Lanette; Rozner, Leo; Russell, La Nelle; Salazar, Johnny; Schiller, Dorothy; Schuhsler, Charles; Sheffield, Carol Ann; Simmons, Billy; Smalley, Joyce; Sommers, Stanley; Staley, Charles; Thompson, Patsy; Todd, Mike; Walston, David; White, Teena Jane; Williams, Ronnie; Wise, Margie; Woodum, Jimmie; and Zawadzke, Gwen.

Top Students Lead '58 Graduating Class

Ruth Estelle Matyastik and Marie Mueck will lead the 98-member senior class in Commencement exercises 8 p.m. Friday at Yoe Field.

Miss Matyastik is valedictorian and Miss Mueck is salutatorian.

Marak Completes Training

SAN DIEGO, Calif. — Franklin E. Marak, son of Mr. and Mrs. John Marak of Route 2, Buckholts, graduated from recruit training May 2 at the Naval Training Center, San Diego, Calif. The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

Rounding out the roster of honor students with A- averages or above were Kay Camp, Make McDermott, Peggy Burke, Ray Green, Griswold, Janice Bridges, Mary Ellen Richter, Elizabeth McDermott, Margaret Burke, Ray Green, Gloria Boyls, Albina Kolodejak, and Clifford Swift.

Miss Matyastik earned a 5.470 average in four years at Yoe High School and Miss Mueck earned a 5.406. Highest possible grade average is 6.0 or A plus.

The top six students will present addresses during graduation exercises Friday.

Senior class sponsors are Mrs. C. L. Canady, Mrs. Herbert Nance, James Speer and Roland Napps.

Commencement Will Begin At 8 In Yoe High Field

Ninety-eight Yoe High School seniors will receive their diplomas in Commencement exercises 8 p.m. tomorrow at Yoe High School Athletic Field.

Honor students will lead the traditional services which feature a speech, "A Salute to Our School" by Salutatorian Marie Mueck and "Education and Free Enterprise" by Valedictorian Ruth Estelle Matyastik.

Highlight of the ceremonies will be presentation of diplomas by H. B. Pressley, president of the Cameron City School Board.

Supt. Wiley Loughmiller will present the graduating class.

The Yoe High School band will play the processional, "Triumphal March" and a recessional, "War March of the Priests." Francis Cox will conduct.

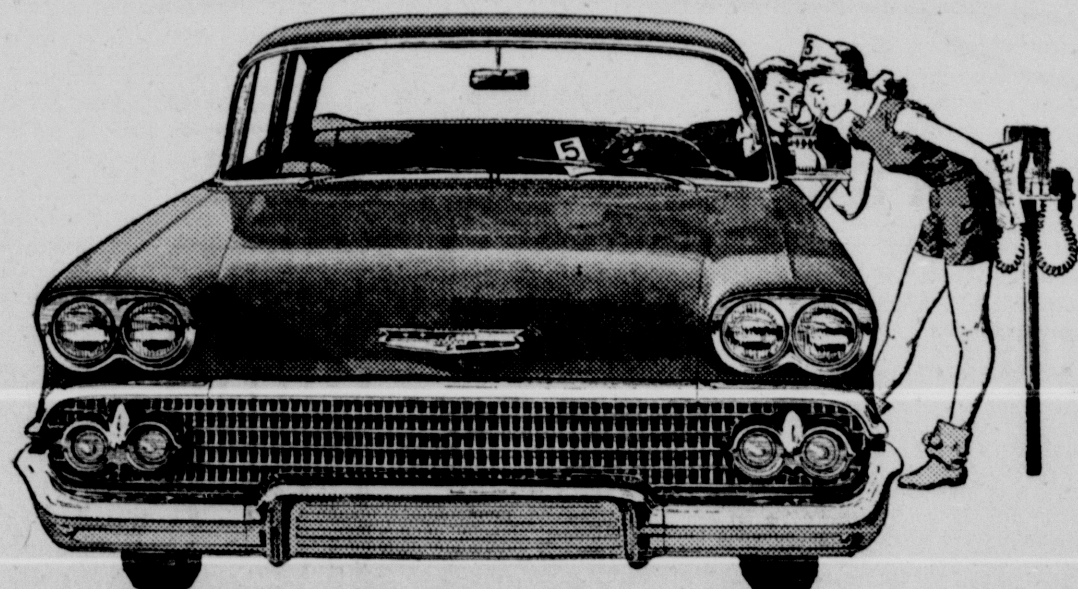

The band will also play "Be-witched" by Rodgers and Hart.

Honor Student Kay Camp will present a talk on "Soviet Education—And Ours" following Miss Mueck's salutatory address. And Honor Students Gaila Dale Griswold, Make McDermott and Marjorie Marie Wilkinson will present talks respectively on "Education for Civic Responsibility," "A Look to the Future," and "Teacher Recruitment."

Principal J. R. Young will present scholarships to senior winners prior to awarding of diplomas.

The seniors will join with the band in singing "On Yoe High," school song.

Lawn Party Honors Local Rainbow Girls

Helen Reid's home on East Seventh was the scene for the Order of the Rainbow for Girls party Thursday evening when Miss Carol Frances Moore, Worthy Advisor, directed a "Scavenger Hunt". A rare collection was assembled as the girls and boys returned with each list completed. The girls and their guests enjoyed sandwiches, potato chips, cakes and cokes on the lawn. Mrs. J. D. Moore, Mrs. Johnnie Lee Richards, and Mrs. Reid assisted in serving the group.

Yoe Students Elect New Student Council

The student body of Yoe High School recently elected the new members for the Student Council. Officers will be elected from this group at the beginning of the school year. New Student Council members from the junior class include: Mary Jane Vogelsang, Ann Swift, Patsy Anderle, Archie Mraz, Roger Terry, and Raymond Tepera.

Edwin Fischers Host Buckholts High Choir

Fourteen members of Buckholts high school Choral group were entertained Friday night by Mr. and Mrs. Edwin Fischer for a game party at their country home near Buckholts. Special guests were Max McClaren, high school music director and Mrs. McClaren and their daughters, Madeline and Melanie, of Cameron. After games and group singing the hostess invited guests to the dining room for refreshments. She was assisted in serving by her daughter, Bernice, student at Temple Junior college. An imported lace cloth covered the dining table, centered with an arrangement of pink roses and Queen Ann's lace.

Sophomore class members are Joyce Hannon, Darlene Moore, Sharon Laywell, and Bobby Foster. Elected to the Council from the freshman class are Becky Foster, David Barkemeyer and James Barta. Eighth grade representatives will be Betty Kestenbaum and Steve Malone.

Kitchen Shower In Austin Fetes Bernice Zarosky

Miss Bernice Zarosky, bride-elect of Calvin Kraemer, was honored with a kitchen shower last Thursday in Austin. A lavender background inscribed "Bernice and Calvin, May 24" surrounded by an assortment of kitchen utensils formed the serving table centerpiece. Following games the guests served a variety of dips, fritos, Ritz sandwiches and punch. Hostesses were Misses Anita Trdy, Lillie Hromcik, and Frances Hubnik.

Jistel Family Gathers For Reunion Sunday

The children of Mr. and Mrs. A. L. Jistel gathered at the home of Mr. and Mrs. Raymond Kurtz Sunday for a family get-together and to celebrate the 8th birthday of the Jistels' grandchild, Shirley Jean Kleiber. A bar-b-que lunch was served buffet style to Mr. and Mrs. Jistel, Clarence and Billy Jistel, Mr. and Mrs. Ervin Kleiber, Shirley and

UDC Delegates To Attend Conventions At Orange, St. Louis

The United Daughters of the Confederacy met with Mrs. R. L. Batte, Sr. May 14. Roll call was answered by each member giving something on fashions and fads of the confederacy. Three visitors were present. Mrs. Ed Gunn and Mrs. Grady Stidham were elected delegates to the state convention at Orange in September. Mrs. T. E. Crump and Mrs. Emma Langdon were elected delegates to the general convention to be held in St. Louis. Mrs. Emma Langdon read an interesting paper on Sam Davis, Boy Hero of the Confederacy. Frosted punch was served from the dining table which was centered with an arrangement of red roses and greenery.

Dennis of Schulenburg, Mr. and Mrs. Milton Jistel and Susan of Houston, Mr. and Mrs. W. C. Keith, Jr. and Debbie of Groves, and Mr. and Mrs. Kurtz, Ray and Diane. Other relatives and friends visited during the day.

Social Activities Fill Seniors Calendars

Slumber parties, teas, and coke socials and dances have filled the social calendars for graduating seniors this month.

Mrs. Emory B. Camp and Mrs. Charlie Burke honored their daughters, Kay Camp and Peggy Burke, with a slumber party for forty girls following the Junior-Senior Prom May 8.

Refreshments of sandwiches, cookies and fruit punch were served in the yard during the evening, and seniors were up at 5 a.m. the following morning to leave for the senior class trip.

Mrs. Graham Hosts Party

Mrs. Gillis Graham decorated her home with arrangements of roses when she honored Ann Graham and Cindy Curtis with a coke party May 6th.

Mrs. Johnny Graham assisted during the social from 4:30 to 6 p.m.

Refreshments of cookies, dips, salted nuts and soft drinks were served to the 12 guests.

Marjorie Wilkinson Feted
Mary Alice Duncum was hostess for a coke party honoring Marjorie Wilkinson May 5.

The serving table was centered with an arrangement of spring flowers surrounding a branch which held diplomas with prophecies inscribed for each senior present.

Twenty-four guests enjoyed refreshments of sandwiches, potato chips, salted nuts and cokes.

Carnival Party

Clowns and balloons set the scene for a carnival party honoring Myrna Gail Jackson, Carol Frances Moore and Wanda Kirk Friday from 6 p.m. to 8 p.m.

Hostesses for the party at the home of Mrs. Murphy Webster were Mrs. Jim Speer, Mrs. Leo

Jackson, Mrs. Dean White, Mrs. Buck Kirk and Mrs. Webster.

Each honoree was presented with a gift of jewelry and the 20 guests received clown sticks as favors.

Baptist Trip

The First Baptist Church will entertain their graduates with an over-night trip to Highland Lakes Baptist Encampment May 26 and 27.

The trip will include a dinner Monday night at the encampment along with breakfast and lunch Tuesday.

After lunch they will travel to Longhorn Cavern and Buckner Boy's Ranch.

Progressive Dinner

A progressive dinner sponsored by the Methodist Church honored Methodist seniors and their dates May 15.

The dinner started at the home of Mr. and Mrs. Don Humble for cocktails, progressing to the Carroll Green's for salads, and to the James Kahlers for the main course. Rev. and Mrs. E. J. Davis were hosts for the dessert course.

Green's Host Dinner Dance

Mr. and Mrs. Leland Green, Jr. will host a dinner-dance at 7:30 p.m. tonight honoring their son, Ray.

Sixty guests are expected for the buffet supper and dance at the Green's home. Seniors and their dates will be seated at tables for four for the bar-b-que turkey dinner.

Graduation Night

Senior activities will come to an end Friday evening. After commencement exercises there will be a dance at the Cameron Country Club followed by a movie showing for seniors and their dates, a hay ride, a swimming party at 3 a.m.

Civic Garden Club Installs Officers At Last Meeting

In her program on "Flowers and Table Settings," for the Civic Garden Club Thursday, Mrs. J. D. Moore stressed that the flower arrangement must be small enough to not interfere with view, it must be attractive from every angle and it must be planned in consideration of the whole.

Mrs. R. G. Grabein was hostess for the club's final meeting at her home.

Mrs. Alvin Dusek gave a report of the recent convention of Texas Garden Clubs, Inc., where she represented the local club as delegate. Mrs. O. G. Tumlinson read the club history.

The state award, won by the Civic Garden Club, on their fall flower show "Festive Fantasies", together with the brochure, was presented to the club by Mrs. Leo Fuchs, awards chairman.

The door prize was won by Mrs. Leo Fuchs.

Mrs. W. M. Fanning, using a paint palette for the basis of her installation service, installed the officers for the next year. Mrs. R. G. Grabein will again serve as president; vice-president, Mrs. Thomas Raymond; recording secretary, Mrs. Roy Wright; corresponding secretary, Mrs. Cato Sheerer; treasurer, Mrs. J. D. Moore; parliamentarian, Mrs. Frank Schiller; reporter, Mrs. Leo Fuchs; time keeper, Mrs. W. M. Fanning and historian, Mrs. O. G. Tumlinson.

Mrs. Grabein appointed Mrs. Alvin Dusek and Mrs. Frank Schiller to assist Mrs. Raymond in compiling the year book.

A social hour followed. The refreshment table was centered with a beautiful horizontal arrangement of red roses. Mrs. G. A. McDermott poured and Mrs. Thomas Raymond served cake squares.

in the Cameron swimming pool, and a breakfast to be served at 5 a.m. at the Methodist Church.

Mrs. Dodson Is Elected O.E.S. Worthy Matron

New officers for the ensuing year elected at the regular meeting of the Order of the Eastern Star Tuesday evening were: Mrs. Mable Dodson, Worthy Matron; Grady Allen, Worthy Patron; Mrs. Jewell Williams, Associate Matron; Mrs. Maud Ryan, Conductress; Mrs. Myrtle Keith, Associate Conductress; Mrs. Virginia Sanders, Secretary; and Mrs. Johnnie Lee Richards, Treasurer.

Red and white roses were used as decoration in the chapter room. Mrs. Grace Reid, Worthy Matron, thanked her officers who served with her this year with a clever skit, "Packing My Suitcase - A New Matron's Moving In!"

At the close of the meeting a program was given with Mrs. Reid and Dean White, Worthy Patron, as Keepers of the "Book of Friendship." A large book was opened and revealed a large glittered star. As each star point approached the Altar and asked if their name was written there they were answered by the Keepers of the Book. Background music was given by Mrs. Gertrude Harsha, "Is my name written there?"

The program closed with all officers at the Altar for prayer and the song, "What A Friend We Have In Jesus."

The center of interest in the dining room was a corner table holding a large suitcase with a white book "Memories". Mementoes of O.E.S. schools, Grand Chapter pictures, gifts, and many interesting things of the matron's year were on display. The tables were centered with an arrangement of red roses and laid in white, the worthy matron's chosen colors for her year.

The newly elected Worthy Matron has set June sixth the date for her open installation.

Yoe Faculty Honors Outstanding Seniors

Two senior students, Make McDermott and Marjorie Wilkinson, who have been active in extra-curricular activities as well as maintaining a high scholastic ranking, were honored by the Yoe High School faculty as the most outstanding students.

Miss Wilkinson is the daughter of Mr. and Mrs. J. A. Wilkinson of the Branchville community. McDermott is the son of Mr. and Mrs. Make McDermott, Sr., Cameron.

Marjorie's fellow students have recognized her as an outstanding leader in electing her president of the Yoe chapter of the Future Homemakers of America, a senior class officer, vice-president and charter member of the National Honor Society, and Most Athletic Girl in a list of senior favorites.

She has also been active in sports, serving as captain of the girls' volleyball team for the past three years. Marjorie has been listed on the honor roll all through

her high school career, and starred in Cameron's one act play which took first place honors in District 9-AAA competition this year.

Also a leader in Church life, she teaches a primary Sunday School class in the Maysfield Presbyterian-Methodist Church, is active in Presbyterian Youth Fellowship work, and plays the piano or sings at Church when needed.

Make McDermott has shown talents and interest in many fields, among them, sports, engineering, and acting.

In academics he is the fourth ranking student in the senior class and will deliver an address at the Commencement exercises along with other high-ranking honor students.

His activities include freshman class officer, member of the slide rule club, 1955 district representative in number sense, member of the junior play cast in 1957 and lead roles in the interscholastic league plays during 1955 and 1957.

John Gelner To Head TJCAA

Johnny Gelner, son of Mr. and Mrs. John Gelner, Route 1, Cameron, and a Blinn College freshman, was named president of the Texas Junior College Agricultural Association for 1959 at the annual state convention held at Weatherford Thursday.

Other newly elected officers include: Harry Stafford, Navarro, first vice-president; Norman Morton, Weatherford, second vice-president; Don Herring, Navarro, secretary-treasurer; and Wendell Dunlap, Cisco, reporter.

Six junior college agricultural associations totaling 45 delegates were represented at the second annual convention.

He also received the outstanding citizen award in 1955 and was a member of the All-Star district play cast in 1957.

Make's schoolmates honored him recently when they elected him first president of the Yoe chapter of the National Honor Society. He was also chosen to play the lead role in the Senior Class play this spring.

In sports he has participated in tennis, football, basketball, track, and freshman softball, and was outstanding as co-captain of the Yoe High School basketball team.

Make is a member of the First Methodist Church and will enter Texas A&M in the fall.

retary-treasurer; and Wendell Dunlap, Cisco, reporter.

Catholic Yoe High School seniors attended the service in their caps and gowns and were recognized.

Awards Assembly Recognizes Yoe High Students Thursday

The annual Awards Assembly at Yoe High School Thursday recognized students for inter-scholastic league participation, good citizenship and attendance.

Dr. Gus Evans, Jr., representing the Rockdale Rotary Club, presented framed certificates to Marjorie Wilkinson and Make McDermott citing them for Good Citizenship.

Carole Ann Heitman received a certificate for the outstanding girl citizen from the Milam County chapter of the Daughters of the

Social Sunday Fetes Senior Class, Faculty

The Joe Zajicek home in Buckholts was the scene of a party honoring members of the Buckholts Senior Class following Baccalaureate services Sunday.

Mr. and Mrs. Max McClaren were hosts for the entertainment. Arrangements of gladiolas and red roses decorated the party rooms, and refreshments of shrimp, avocado dip, olives, nuts and tea were served to seniors and faculty members.

Kiwanis Awards \$50

Marie Mueck, second ranking senior, was awarded \$50 by the Cameron Kiwanis Club for academic achievement. Bob Nelson, president of the Kiwanis Club made the presentation.

Certificates for being neither tardy nor absent this year were received by Lucille Jistel, Rita Vessels, Eddy White, Jerold Johnson, Jo Ann Rozner, Nelda Baldrige, Rodney Folschinsky, Delphyne Meek, Patsy Talafuse, George Ann Hubnik, Bennie Reynolds, Betsy Roschetsky, Shirley Valka, Paul Matyastik, and Linda Schiller.

National pins were presented to members of the National Honorary Society during the special assembly.

Listed among those to graduate from Baylor University on May 23 are Mr. and Mrs. Don Bullock. Don is a graduate of Milano High School and his wife is formerly from Dallas.

Rural Mail Position Opens In Buckholts, Applicants Invited

An examination for Rural Carrier for the post office at Buckholts, Texas, will be open for acceptance of applications until June 10, 1958, the Commission announced today.

Applicants for this examination must actually reside within the delivery of the above-mentioned post office and must have so resided for one year preceding the closing date for acceptance of applications.

Officials stated that applicants must have reached their 18th birthday on the closing date. There is no maximum age limit, however, persons who have passed the age of 70 may be considered only for temporary renewable appointments of one year.

Complete information about the examination requirements and instructions for filing applications may be obtained at the Buckholts post office. Application forms must be filed with the U. S. Civil Service Commission, Washington 25, D. C. and must be received or postmarked not later than June 10.

Health Unit Lists April Calendar Of Activities

The month of April was spent largely on the preparation for the chest X-ray program.

Eight hundred and forty high school students were tuberculin skin tested by the Milam County Health Department. Of this number 1.55 percent had a positive reaction and were given cards for chest X-rays. Mr. Hinton Pruett, General Chairman, also spent considerable time making arrangements for the Unit's visit to Milam County.

Dr. W. H. Wharton, of Austin, spoke to the Milam County Tuberculosis Association at the TB Association's Annual Meeting in April.

One patient returned from the tuberculosis hospital. The husband of this patient is still at the hospital receiving treatment. Another patient, reported by a private physician is receiving treatment through the Health Department at present.

A pre-school roundup was held in Rockdale on April 29, sponsored by the Rockdale PTA, Alan Bloebaum and Miss Helen Crook, Public Health Consultants from the Texas State Department of Health, assisted with the roundup.

Dr. T. E. Crump, acting director of the Milam County Health Department, attended the health officers conference and Texas Medical Association in Houston this month.

Communicable diseases cases occurring during the month of April were as follows: 143 cases of measles, 72 cases of streptococcal infection, 42 cases of mumps, 30 cases of influenza, 3 cases of pneumonia, 3 cases of chickenpox, and 1 case each of shigellosis, meningitis and tuberculosis.

Polio immunizations declined slightly with 32 first shots given, 20 second shots, and 37 third shots.

The Sanitarian accompanied Mr. J. E. Craven, Senior Sanitarian of the Texas State Department of Health and Mr. E. G. Eggert of the Georgia Department of Health, on an inspection tour of the new Cameron water supply equipment and the new sewer plant. A very favorable report was filed about the city water and sewer plant.

Softball, Volleyball Start May 30, Community Do-Si-Do Set Saturday

By Mrs. A. T. Swanzy
Early Saturday morning, May 24, all who will be urged to meet at the Ben Arnold School building.

The purpose of this meeting is to clean the school yard so that we might start our soft ball and volleyball games on Friday night, May 30. Each person should bring hoes, rakes, etc.

There will be another do-si-do on Saturday night, June 1, due to the fact that we didn't have any music last Saturday night.

The Ben Arnold Baptist Church will conduct a Training Union Study Course on May 27th, 28th, and June 1st. Anyone wishing to attend is welcomed and there will be a Primary, Junior and Adult Class.

The Boy Scouts will have their meeting this Thursday night at the school building, according to Sonny Swanzy, scout master.

Rev. Tommy Dusek filled the pulpit last Sunday on his regular preaching day. Mrs. Dusek accom-

panied him here and they were noon guests of Mr. and Mrs. Louis Murff.

Mr. and Mrs. John D. Bilbry, John D., Jr. and Lynette of Texas City were week-end guests of Mr. and Mrs. Louis Murff.

Visitors at the Baptist Church Sunday were Mrs. Reuben Tubbs; Mrs. Will Lake; Mrs. Pembroke; Mrs. Waldo Johnson; Mrs. Hughes; Mr. and Mrs. Allen Dodson, Miss Kate Sproull, all of Cameron; John D. and Lynette Bilbry of Texas City.

Baptist Church members were happy to have Grandmother Sproull of Cameron in their midst on Sunday. Mrs. Sproull is the only charter member of the church since it was erected in 1906.

Mr. and Mrs. L. A. Swanzy visited Mr. and Mrs. T. J. Prater and family of Heidenheimer Sunday.

Sunday guests of Mr. and Mrs. Sonny Swanzy and family were Mr. and Mrs. Roy Garrett and family of Victoria; Rev. and Mrs.

Students Honor Professor On "Sharpe Day"

May 8 was designated Ernest Sharpe day by the members of Alpha Delta Sigma, professional advertising fraternity at the University of Texas.

Prof. Sharpe, son of Mr. and Mrs. Raymond Sharpe, Cameron, has been a faculty advisor of the ADS chapter since it was organized on the campus in 1948.

"Ernest Sharpe Day is our way of showing our appreciation for the numerous ways Prof. Sharpe

Tommy Dusek of Brownwood, Mr. and Mrs. Albert Swanzy and James of Belton; William Sweet and Mr. and Mrs. Leland Burnett and Carolyn of Jones Prairie.

Pat Bailey of Branchville spent the week end in the home of Gloria Miller.

Donnie Swanzy, Wayland Dornier and William Foshea brought home their registered gift pigs. The Farm Bureau furnished the gift for Donnie, Wayland and William received theirs through the 4-H Club at Burlington.

Mr. and Mrs. Harris Komar and family were week-end guests of Mr. and Mrs. John Komar.

has helped our organization," said Roger Broach, president of the University chapter.

The high point of the day's activities was a banquet held in Sharpe's honor.

Sharpe, now an associate professor in the School of Journalism, has served the interests of advertising education in various ways.

In 1947 he negotiated with advertising executives in Dallas and Houston to award expense paid tours of ad agencies and newspaper advertising departments to selected students.

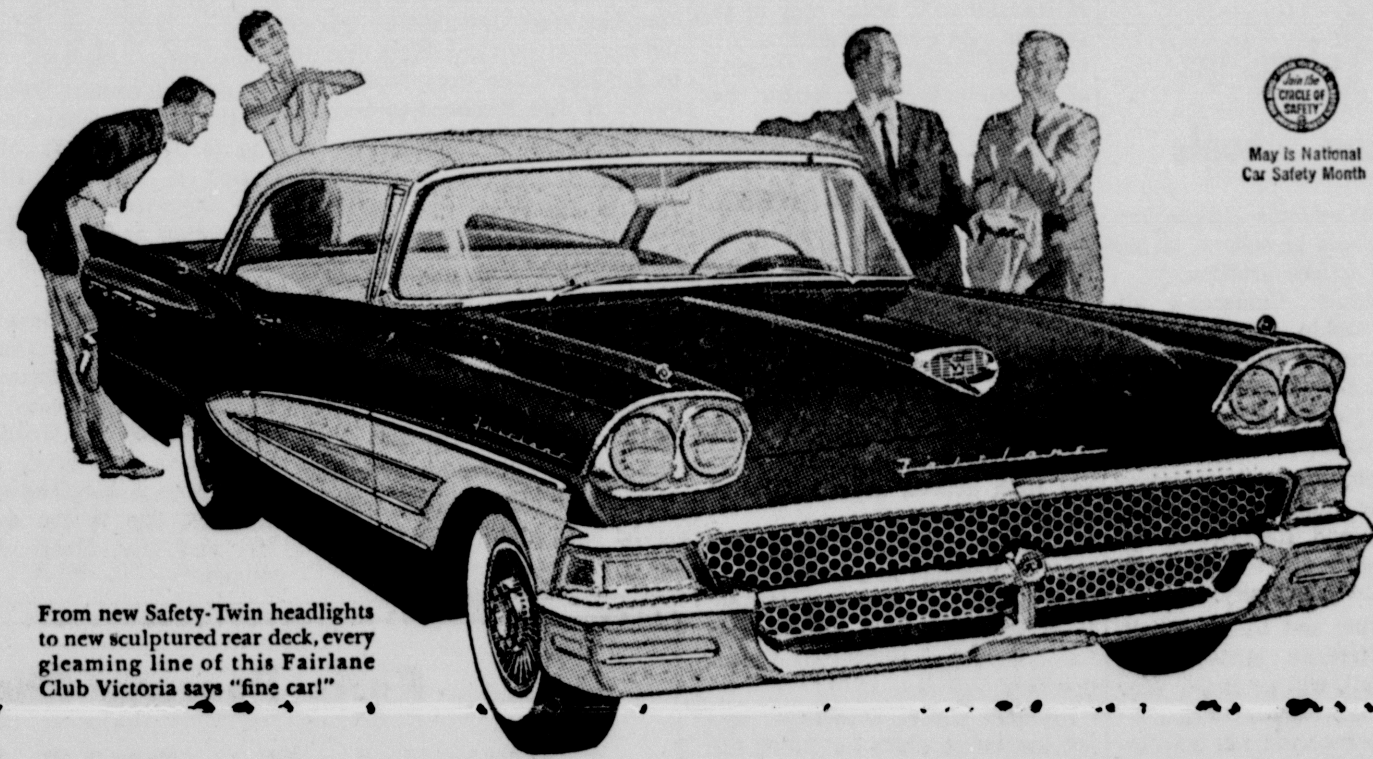

Later in 1949, he introduced to the Advertising Federation of America, of which he was once director in the Southwest District, an advertising job clearing house for graduates.

Prof. Sharpe has served as southern vice-president and as national president of Alpha Delta Sigma. He is also a past president of the Austin Advertising Club.

"Standard Market Data For Austin," a survey of the Austin market by Sharpe, was published by The American-Statesman and the Austin Chamber of Commerce.

He is the author of a biography of G. B. Dealey, late publisher of the Dallas Morning News.

Prof. and Mrs. Sharpe have three children, Patricia, Ernest, Jr., and David.

From new Safety-Twin headlights to new sculptured rear deck, every gleaming line of this Fairlane Club Victoria says "fine car!"

Look what you've been missing if you haven't driven a 58 FORD

You just can't appreciate all the wonderful things that have been done to make driving more fun... until you've checked out in a shiny 58 Ford!

The fun begins with the simple act of getting into the car. Only "yesterday" it was stoop down or knock off your hat. Now that has been changed. There's room for you and your hat inside the 58 Ford.

Even before you start the engine, notice how much more you can see. Full-Circle visibility lets you see where you're going... see what's coming... see to park!

Now touch the starter. Observe how smoothly your engine idles. That's because each Ford engine is built with painstaking care. Each V-8 is electronically balanced while operating under its own power. No other car in Ford's field goes to such lengths to bring you an engine that will operate smoothly... dependably... efficiently. (If your pick is a thrifty Six, you can't buy a more powerful, more modern 6-cylinder passenger-car engine than Ford's 145-horsepower Milage Maker Six.)

Ease down now on the throttle and you'll take off with all the dash and verve of a Thunderbird! For after all, the 58 Ford offers you the Thunderbird's own transmission and engine! Team Ford's Cruise-O-Matic Drive with a Thunderbird-powered V-8 engine, and save up to 15% on gasoline. It's like getting back 15¢ on every gas dollar!

Next hunt up the roughest roads you can find. Notice how bumps lose their bounce with Ford's softer-riding suspension system. Notice how Ford's exclusive Automatic Ride Control combines Angle-Poised Ball-Joint front suspension with long, tailored-to-weight rear springs so that you ride level... corner level... enjoy a "big car feel."

And Ford gives you more—much more in the way of riding comfort. Ford seats are wide—sofa-wide. You sit in a relaxed, natural position with Ford's Automatic Posture Control.

Always a leader in safety, Ford again has pioneered new features to protect you. New Safety-Twin taillights, for example, keep you safer because they give better warning to cars behind you. And only Ford offers you famous Lifeguard Design—the whole family of safety features designed to protect you should an accident occur.

Then there are the hidden values that are yours when you choose Ford. The car is put together with fine-car precision. The finish is durable enamel—baked enamel that helps Fords keep that new-car shine. On the inside, too, Ford cars give you more insulation than any other cars in Ford's field.

Why not discover all you've been missing if you haven't driven a 58 Ford? See your Ford Dealer and find out firsthand all the wonderful things that have happened to Fords. And remember: a comparison of manufacturers' suggested retail delivered prices shows that Ford is lowest priced of the "low-price three" in 17 out of 19 comparable models!

So why not make tomorrow your day to drive a Ford? The keys are waiting for you at your Ford Dealer's. See him and discover all the fun a Ford can be!

Girl Scouts Have Court Of Awards Annual Ceremony

Buckholts Girl Scout Annual Court of Award ceremony was held Monday night at the high school Home Economics building.

The Brownies opened the program with their "Smile Song," and Mrs. Edwin Gandy gave the invocation.

An interesting phase of the program was when one of the Brownies, Patsy Inge 'flew up' into the intermediate group and from there she was invested into the Girl Scouts.

Mrs. Edwin Lehmann, girl scout leader presented awards to all twelve of the scouts in the Court of Award ceremony. She also presented the girls their yearly membership stars.

Mrs. Gandy, Brownie leader, presented stars and pins to her Brownie girls.

Light refreshments of punch and cookies were served by the Intermediate group.

Five YHS Seniors Win Scholarships To Texas Schools

Five senior athletes will continue their education in college, thanks to prowess on the gridiron.

Gene Hillman, Cameron's all-conference tackle, was the latest of five Yoemen to win an athletic scholarship. He will attend Baylor University. He signed a letter of intent last week.

Guy Dillon, also all-conference and all-state fullback, will go to Texas A&M and Ray Green, all-conference end, will attend Southern Methodist University.

Warren Rinn and Bobby Elliott, both all-conference standouts in 9AAA last fall, will go to Del Mar Junior College, Corpus Christi. The group received full scholarships.

13 In Dallas For Preinduction Physical Tuesday

Thirteen Milam County men met at the local board office Tuesday, and departed by regular bus for the examining and induction station in Dallas. Leader of the group was Charles Wayne Henson of Rosebud. Box lunches were provided so that the noon meal could be eaten on the bus.

Those leaving for induction were Lester Gene Brooks and Jesse William Perry. The group leaving for preinduction physical examination included Leland W. Taylor, Marvin E. Rubac, William H. Fischer, Charles W. Henson, John C. Green, Clarence E. Wilson, Richard E. Angell, John Gonzales, Hubert L. Haynes, Rex C. McRae, and Walter Michalka.

Others called on this month's quota transferred to leave from other points. Men living and working away from home may report to the nearest local board upon receiving their orders to report for induction or physical examination and request transfer to leave from that local board. When the request has been approved by the registrant's own local board, the board of transfer will order him to report with its own registrants, thus saving him the time and expense of reporting to Cameron for that purpose.

Joe Hawkins Takes Florida Coaching Job

Joe Hawkins, head football coach at Rosebud High School, has resigned his position to take a job with a high school in Florida.

Hawkins, formerly of Cameron, will join the staff of Andrew Jackson High School, Jacksonville, as backfield coach.

He had coached at Liberty and staff at Rosebud in 1957 and served as assistant mentor in 1955-56. He had coached at Liberty and Cameron before his Rosebud position.

Rosebud school authorities had not announced plans for filling the vacancy.

Lutheran Church To Show Religious Films For Dedication Week

In connection with the dedication of Trinity Lutheran Church, Sunday May 25, the congregation will have open house Tuesday and Thursday, May 27 and 29, and will show two religious films, "The Unfinished Task" and "Martin Luther," according to the Rev. L. R. Krout, pastor.

Trinity Lutheran Church will be dedicated Sunday at 10:00 a.m., the Reverend A. O. Rast, of Austin, Mission Director for the Texas District of the Lutheran Church-Missouri Synod, will be the guest speaker.

A Service of Thanksgiving will be held at 3:00 p.m. with the Reverend Dwyth Beltz, former pastor of the congregation, as guest speaker.

A reception will be held for all in attendance immediately following the service.

Tuesday at 8:00 p.m. the congregation will show the religious film, "The Unfinished Task." This film, produced under the auspices of the Lutheran Church-Missouri Synod, has been classified as one of the greatest religious films ever to be produced. The story depicts the desire of Jim Bradford to become a minister of the Gospel.

A second film, "Martin Luther" This is the same film that has been shown in Theaters throughout the United States, and has been widely acclaimed by critics.

Rev. Krout stated that the Trinity Lutheran Church congregation extends an invitation to the community to attend these film showings. There will be no admission charge and refreshments will be served each night after the showing of the films.

Sharp Seniors Graduate Monday, Pope, Schwarz Named Top Students

Commencement exercises of Sharp High School will be held in the school auditorium at 8 p.m. Monday.

The Rev. Walter Grimes, pastor of the First Christian Church, Cameron, will deliver the baccalaureate sermon during services at the school auditorium Sunday, 8 p.m.

David Pope, son of Mr. and Mrs. H. C. Pope has been named valedictorian. Salutatorian honors will go to Charles Schwarz, son of Mr. and Mrs. Willie Schwarz.

Schwarz is editor of the school paper and Pope is sports editor. Both are tri-captains of the football, basketball and baseball teams and were listed in the all-district football team.

Pope is vice-president of the senior class, was voted most likely to succeed, and was 1956-57 Halloween Queen escort. He is also active in FFA chapter work and was awarded a Lone Star Farmers Degree last summer.

Schwarz was elected president of his class, voted FFA Pin-Up boy and Mr. Sharp High School, and was 1957-58 Halloween Queen escort.

Outstanding Students

The faculty of Sharp High School named Nelda Charles and Dennis Shelton as the most outstanding students. Miss Charles is the daughter of Mr. and Mrs. Otis Charles of Tracy, and Shelton is the son of Mr. and Mrs. J. T. Shelton of Friendship.

Miss Charles has been active in sports, lettering in basketball for four years, and served as head cheerleader. She has also worked in FFA, was on the staff of the school paper, a member of the Choral Club, and graduation chorus. She was voted most likely to succeed and elected Miss Personality and Miss Sharp High School.

Shelton is treasurer of the senior class, was voted most athletic boy, best all-around boy and most popular boy. He was also elected Mr. Personality of Sharp High School.

Active in athletics, Shelton is tri-captain of the football, basketball and baseball teams and was named to the all-tournament basketball team.
